

# CLEAN HEAT RHODE ISLAND PROGRAM OVERVIEW

## Customer Assistance

Learn more, ask questions & receive guidance

## Participating Installers

Work with an installer in our network

## Review Quotes

Compare up to three quotes

## Financial Incentives

Reduce installation costs

## GET STARTED TODAY!

- 1** Schedule a consultation with our Heat Pump Specialist.
- 2** Work with a participating installer to determine if a heat pump is right for you.
- 3** You may submit quotes through our portal and receive a comparison report.
- 4** You or your installer completes a project pre-approval application to reserve your incentive. Once approved, your new heating and cooling system is installed.
- 5** The incentive application is completed by you or your installer.
- 6** The incentive is processed. Enjoy your new efficient heating and cooling system!
